Summary:

The first hybrid cooking show! At their neighbour Loulou's house, Theo and his friend Kim, our two lil' cooks, prepare a dish for a guest in every episode, under the live guidance of their favorite TV chef, Norbert (but it could be Jamie Oliver or Gordon Ramsay...)! Our two animated heroes always thought meal preparation was complicated, but they soon find out that, actually, cooking is easy, fun, quick and most important—the food tastes great!
